

# Air Monument

Mapping the local 2020

Marija Nikić, Lazar Ivanović, Petar Ćosić

Mentor Nikola Knežević

# Concept

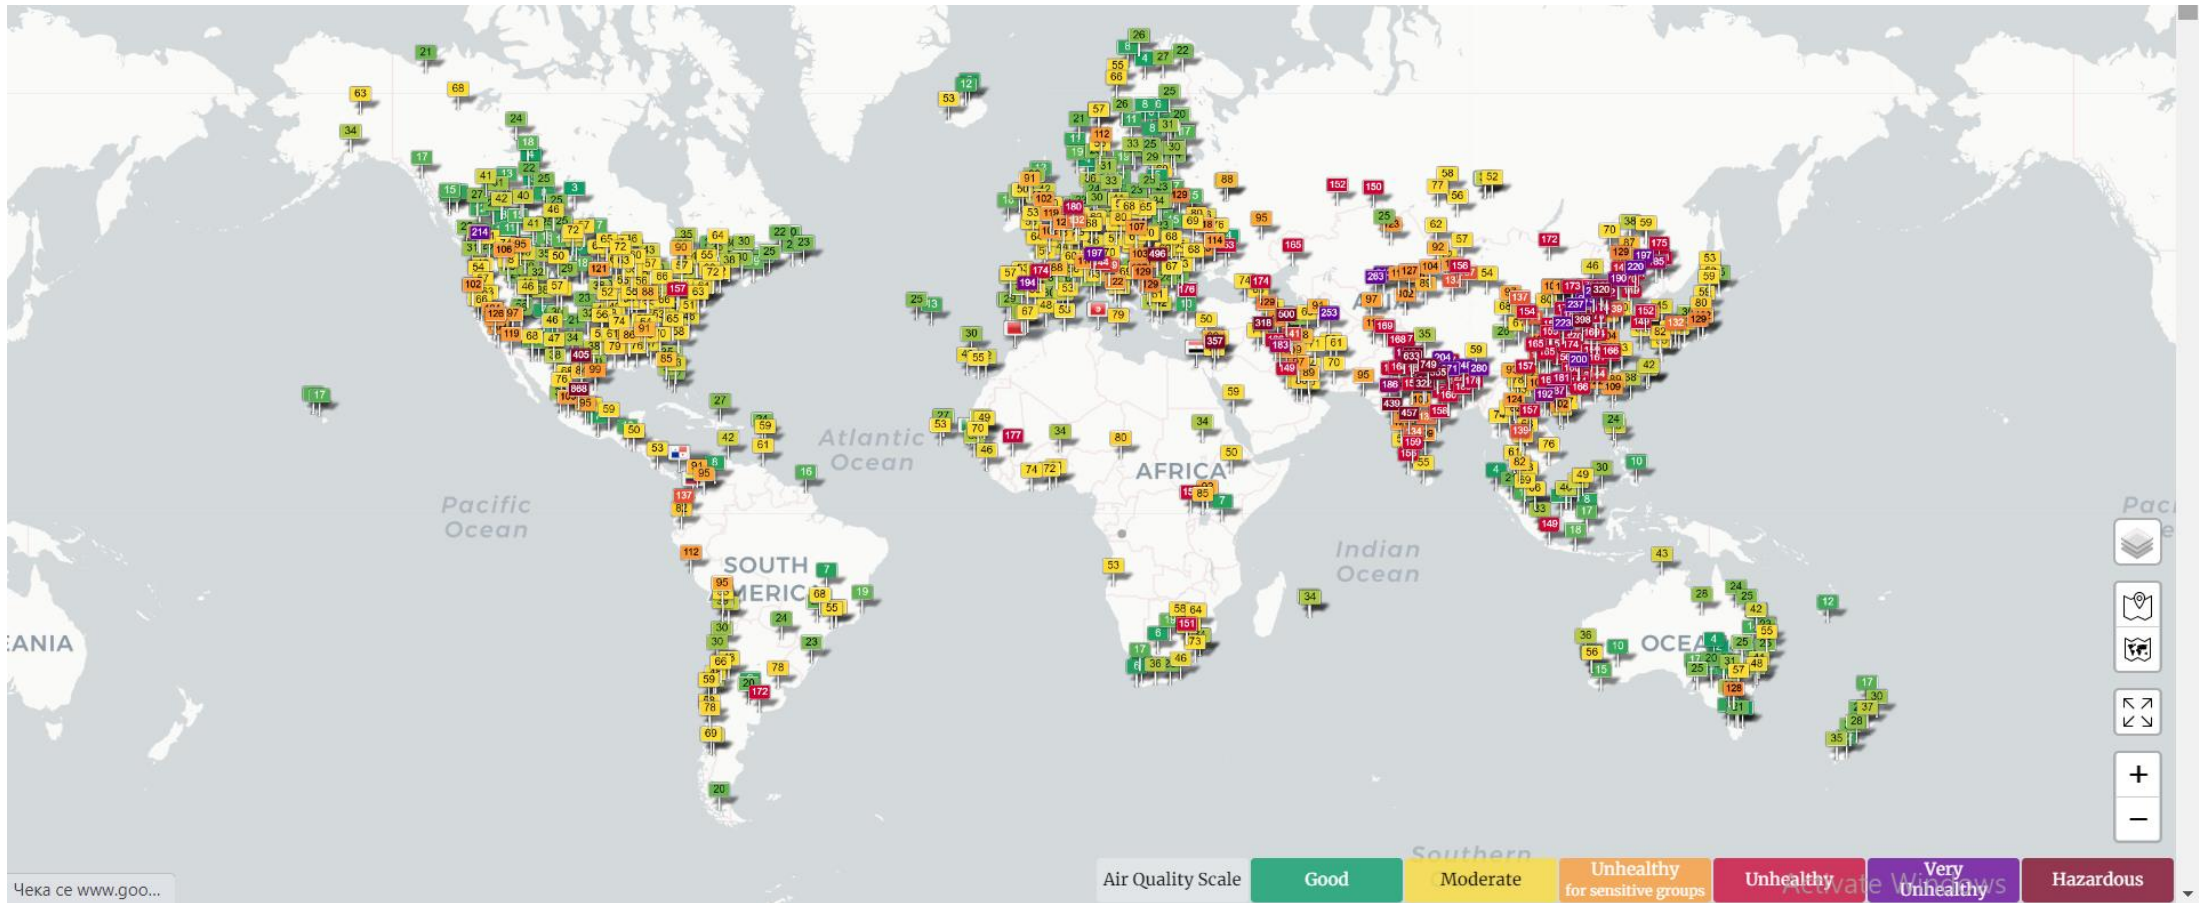

- Creating connection between monuments and industrial design
- Designing a monument like a product.

# Inspiration

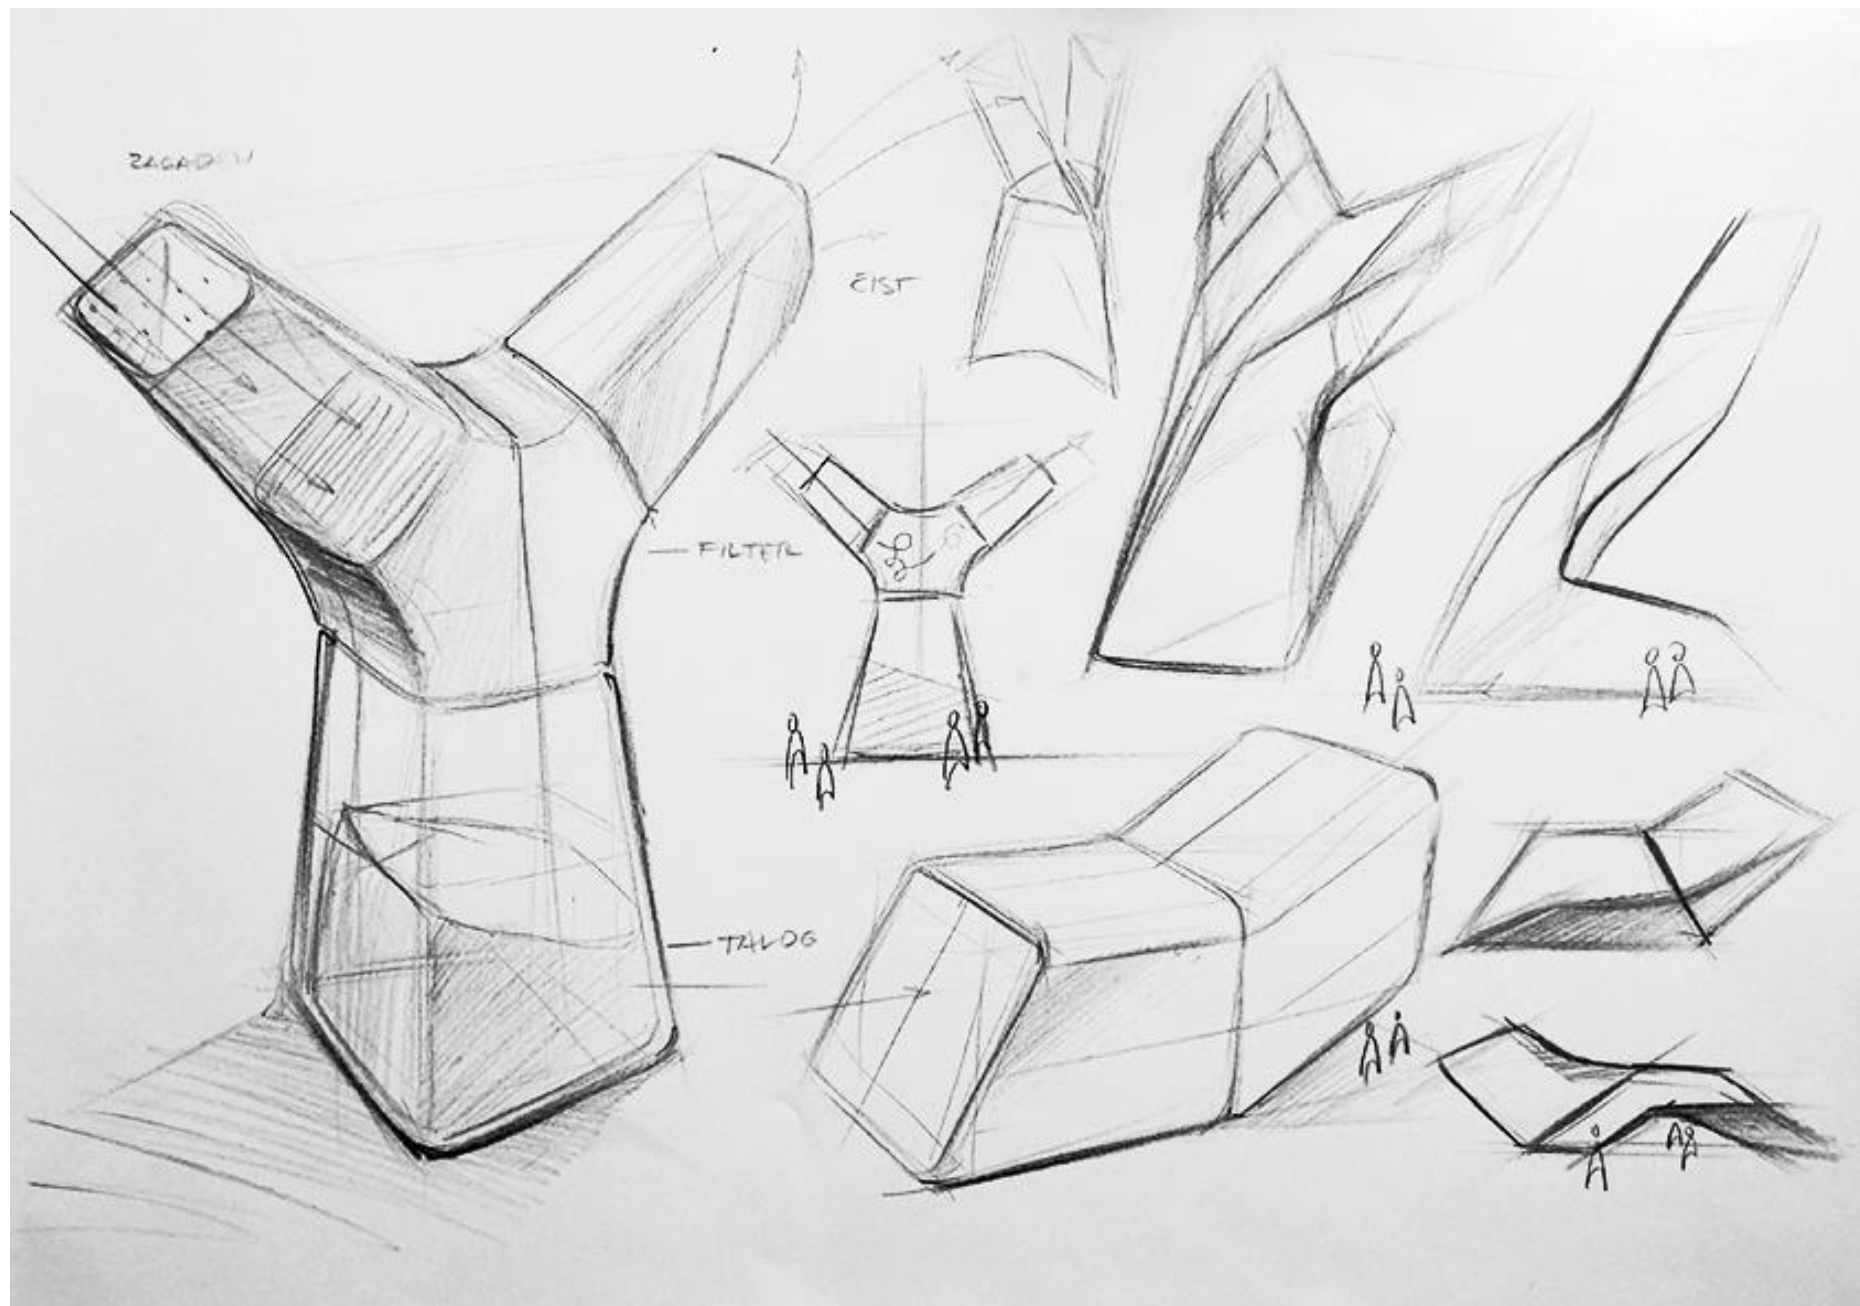

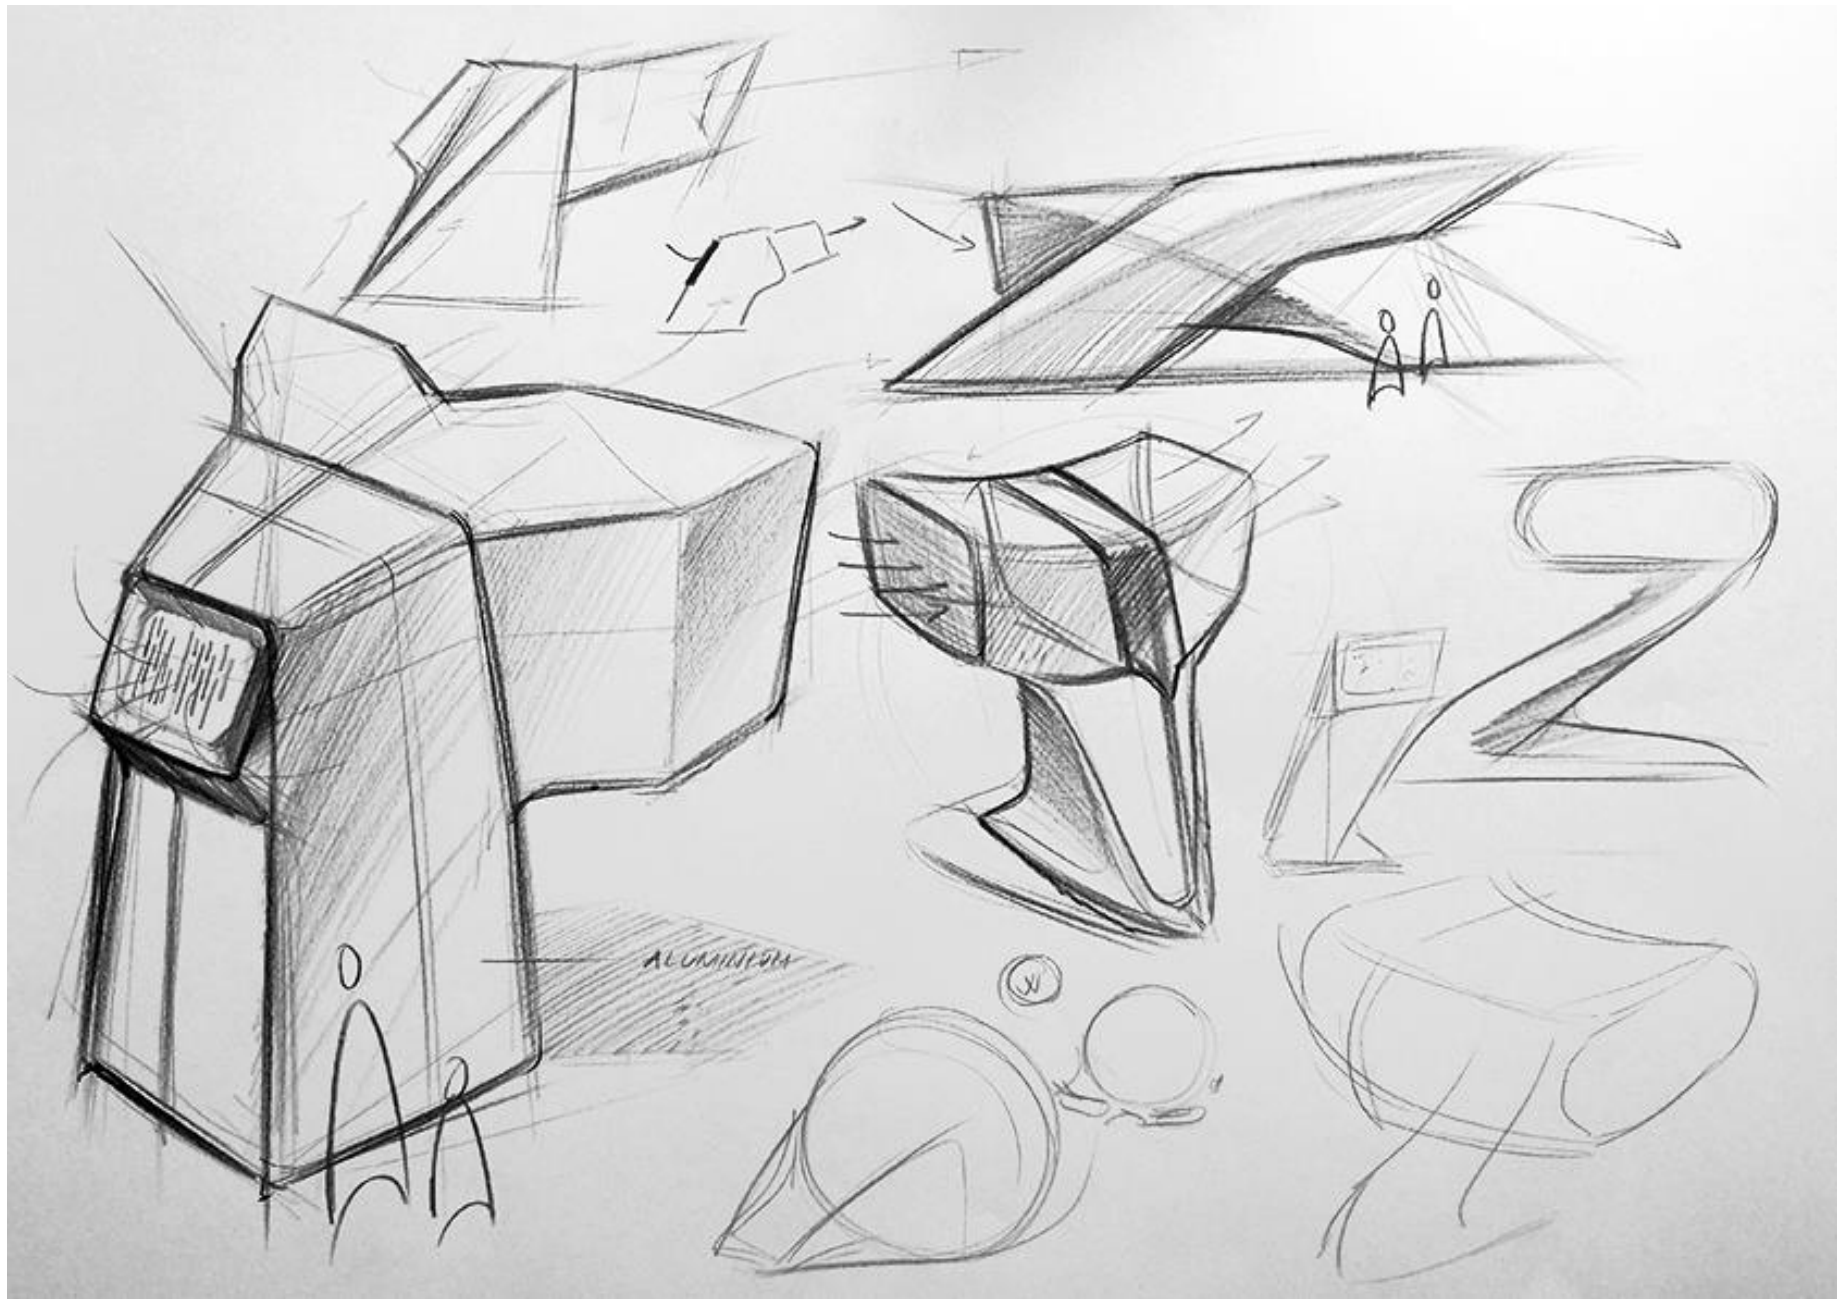

- Preventing air pollution
- Drawing attention, and creating a solution for this problem

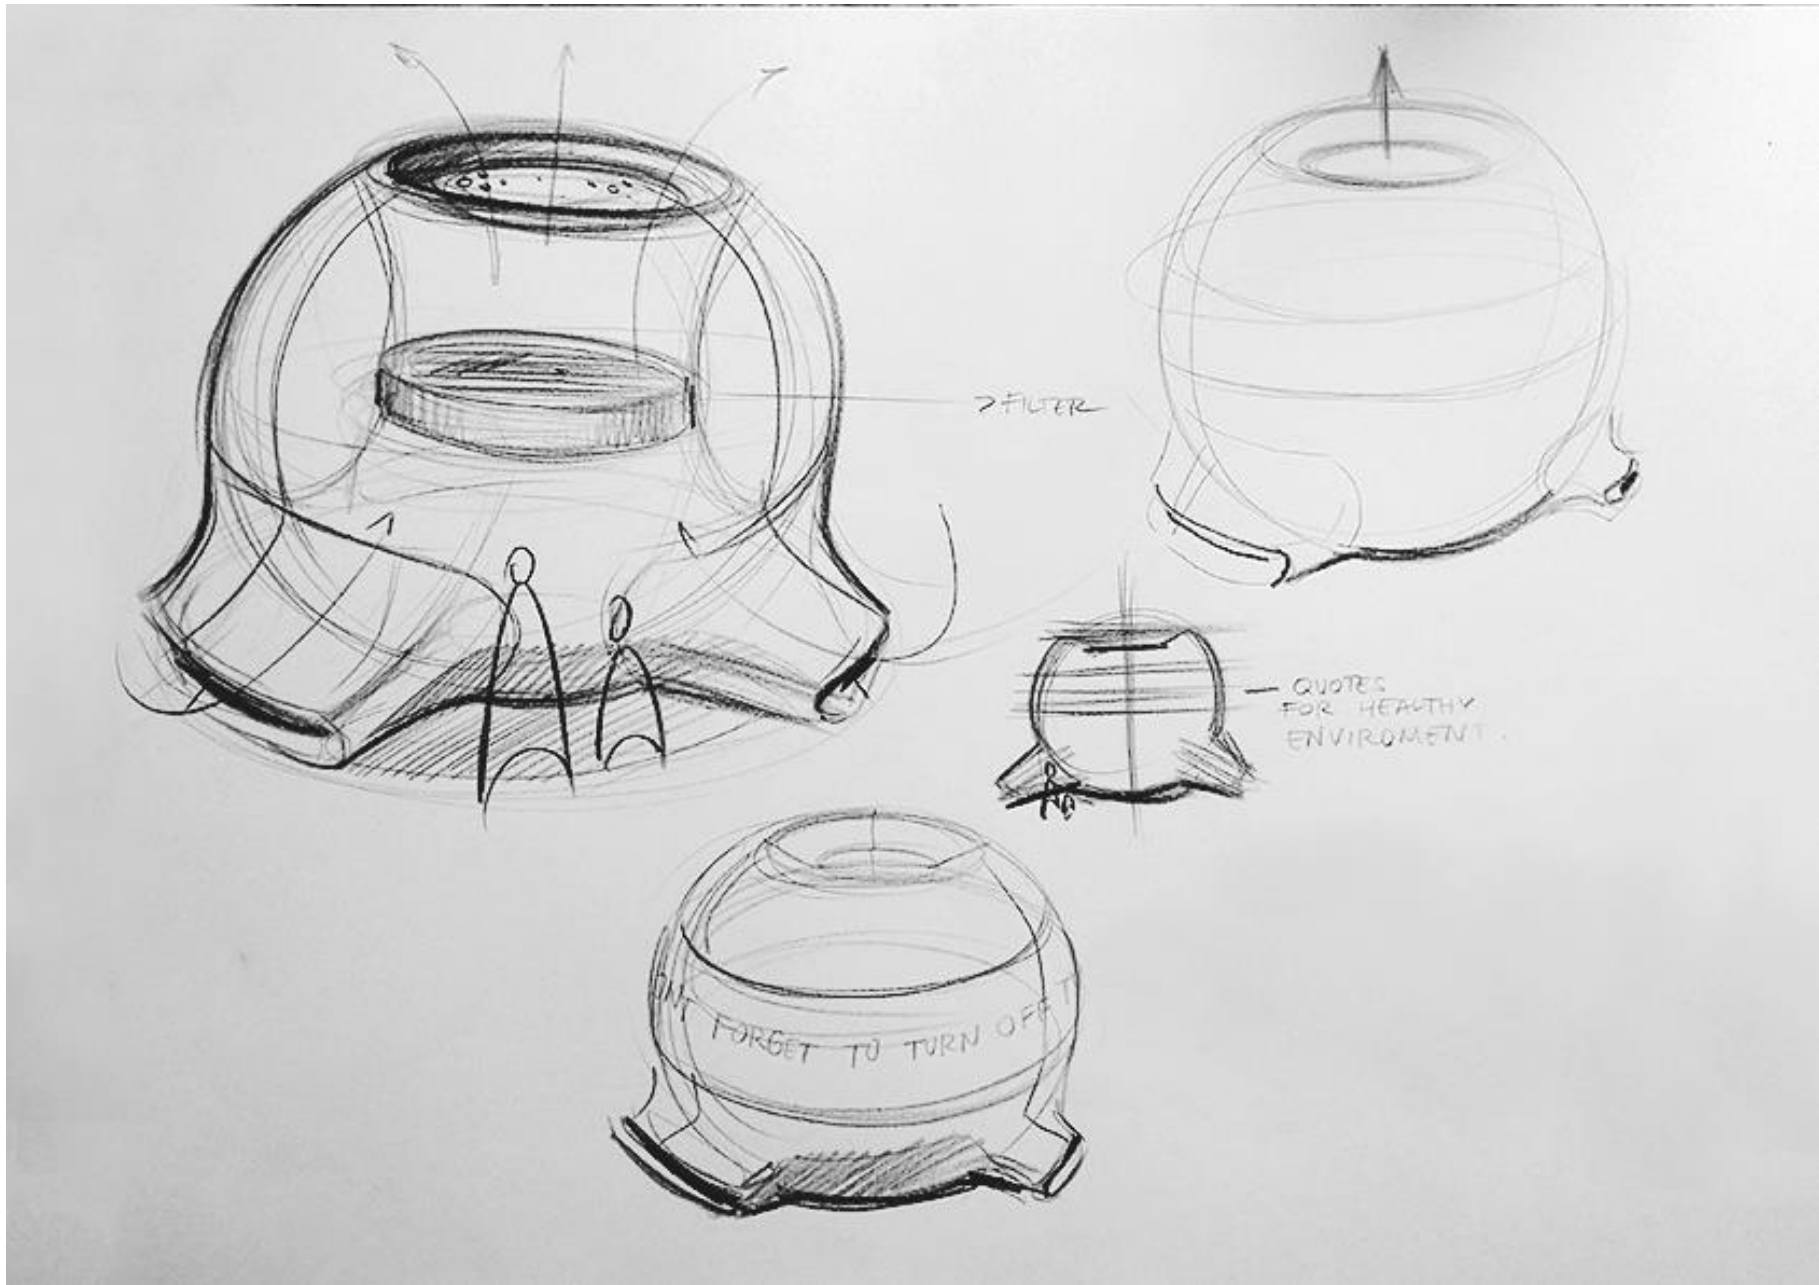

# Inspiration

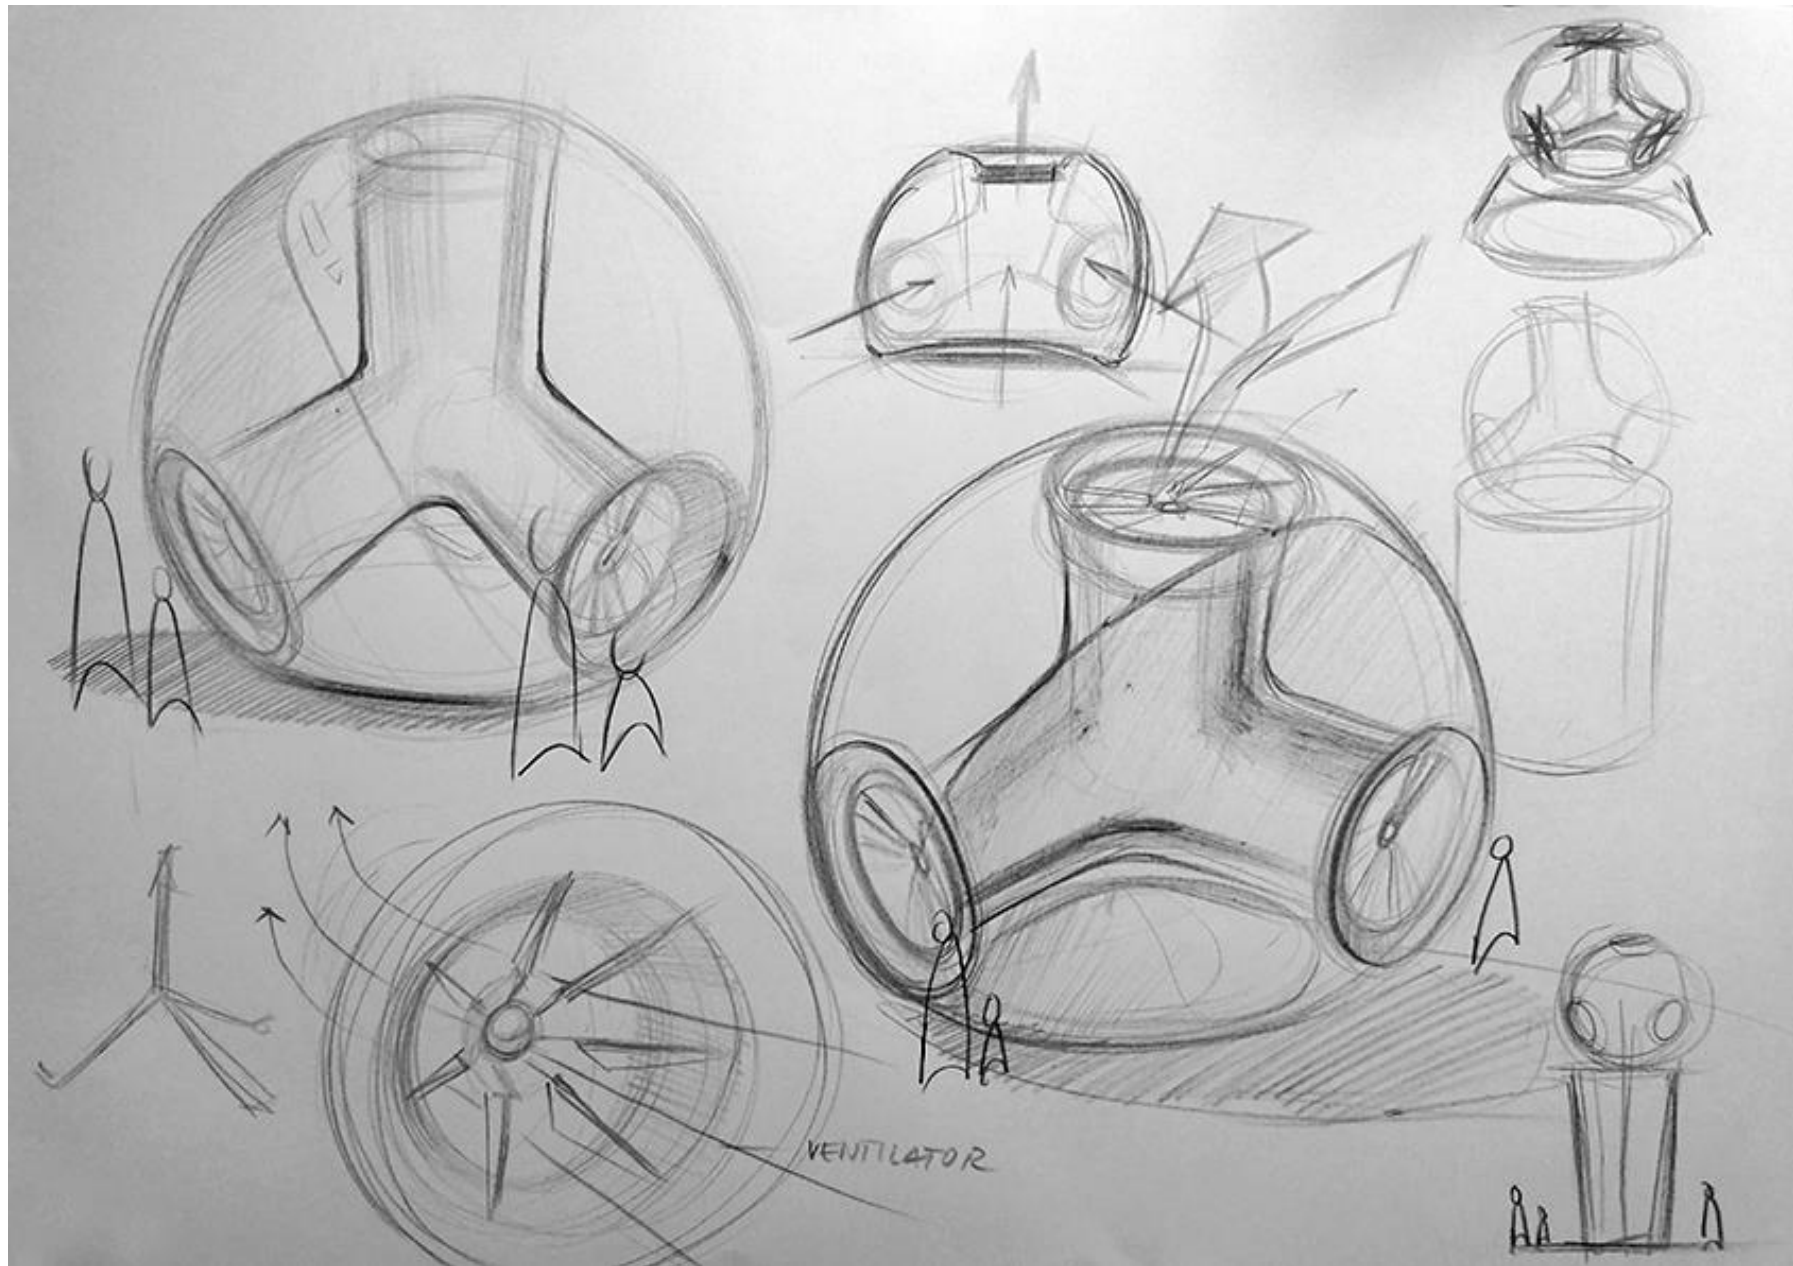

- Designing a monument that can be useful throughout the globe
- It has to be universal, so different cultures can relate to it
